Deluxe Tinker Damast Limited Edition 2018

Medium Pocket Knives
91 mm Original Swiss Army Knives large models

Available: as of April 30th 2018

The Deluxe Tinker serves as a basis and source of inspiration for this year's Damast Limited Edition. With integrated combination pliers, this special tool is now available for the first time within the Damast series. The main eyecatcher is the large blade made of durable Damast steel "Ladder" (DS93X™) with an incredible count of 333 forged layers combined with elegant plum wood scales. Limited to 6000 pieces, with sequential numbering, that

is embossed onto the divider behind the Phillips screwdriver. The plum wood scales are absolutely new and unique, as is the impressive and elegant Damast steel blade. A metal inlay was chosen for the wooden scales on the front to the product. The Deluxe Tinker Damast Limited Edition 2018 is an exclusive pocket knife that will delight collectors and users alike and quickly become an object of desire.
