Alox Limited Edition 2018

Small Pocket Knives | 58 mm Companion
Medium Pocket Knives | 84 mm Original Swiss Army Knives, small models
Medium Pocket Knives | 93 mm Pioneer Range

Available: as of April 30th 2018

The «Alox Limited Edition» will be launched for the fourth time this year and includes three pocket knife models. The Classic (58 mm), the Cadet (84 mm) and the Pioneer (93 mm). The berry red Alox scales characterize this year's edition. These are stamped from aluminum, embossed and anodized in a subsequent working step.

The anodic process produces a protective layer by anodic oxidation and gives the scales their color. This oxide layer is hard and provides for additional protection against damage and corrosion. These three models will be launched in a new color every year. Each edition is limited to one year and the corresponding year is on the back of each piece.
