CREATIVITY ALL AROUND THE WORLD

Victorinox has launched the Classic Limited Edition Design Contest for the seventh consecutive time now. The creatives were also given a theme this year: Places of the World! A grand total of 878 creative ideas from over 62 countries were submitted. The number of countries that participated are as varied as the designs submitted with choice places like New York, Hawaii, Paris and London.

These and more fascinated our fans, for in the final voting, they decided on the ten designs that have now become this year's final collection. The unwavering creativity, the world wide interest as well as the passion of the designers inspire every year anew. Be best prepared and make your favorite place your everyday carry.
