

VICTORINOX

Hunter Pro M Alox

Hunter Pro

Available: as of September 10th 2018

DESIGNED FOR ADVENTURE

This latest version of the Hunter Pro features the ever-so-popular Alox scales, known and loved from the legendary Pioneer collection. The subtle, shimmering interplay between blade, spring, liners, scales, and clip adds an elegant and innovative touch. Also new in the Hunter Pro M Alox is the smart clip design and the lanyard hole integrated into the spring, with a Paracord Pendant in a decorative, woven finish.

The curved, silver-colored clip fits easily onto the handle so the knife can be securely attached to your garment and is still easily accessible. The elegant look, the timeless appeal of the materials, and the advanced functionality make the Hunter Pro M Alox an indestructible design item and a loyal companion for your daily adventures. This versatile pocket knife cuts a fine figure, whether you are wearing business attire or cargo pants.
