SHARP AND SYMBOLIC

Introducing this year's incarnation of the Huntsman Year of; our pocket knife created in celebration of the Chinese New Year. For 2020 it honors the rat – the first animal to feature in the Chinese zodiac – and one of paramount significance. Agile and smart, just like the blade it adorns, the rat was

traditionally associated with protective qualities and is a symbol of longevity and good health. Decked out in vivid red with gold embellishment and a decorative drawing of a rat; this is a standout gift.
