## MINI TOOL FIREANT SET THE REAL OUTDOOR ADVENTURE STARTS HERE

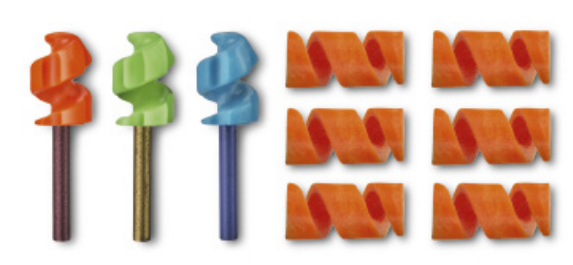

The art of making fire is an ancient and essential skill. For keeping warm or cooking on an outdoor adventure, carry the secret of this powerful element cleverly housed in the Swiss Army Knife's corkscrew feature. With this set, you are always ready to start a fire in no time, whether it's day or night, and even when it's wet. The fire steel in three color choices glows in the dark, and the six water-proof helix tinders make sure that our Mini Tool FireAnt Set is a vital survival aid for every outdoor adventure. It's a lightweight yet potentially lifesaving tool that offers reliability and ingenious functionality in one compact feature.

- Compact and essential fire-starter set
- Choice of three glow-in-the-dark colors with helix tinder
- Enhances a Swiss Army Knife
